

REMARKS

This application has been carefully reviewed in view of the above-referenced Advisory, the prior Final Office Action, and a telephone conference with Examiner Rivas held on 7/2/2008. During that telephone conference, Examiner Rivas indicated that the amendments being made would be considered and would render the claims allowable. Applicant appreciates the courtesies extended by the Examiner during this telephone conference. Accordingly, reconsideration is requested in view of the above amendments.

Applicant makes no admission or concessions as to the accuracy of the Office Action's positions on any other matters and reserves the right to present additional claims in a continuing application.

In view of this communication, all claims are now believed to be in condition for allowance and such is respectfully requested at an early date. If further matters remain to be resolved, the undersigned again respectfully requests the courtesy of an interview. The undersigned can be reached at the telephone number below.

Respectfully submitted,
